or write: Community Plus Federal Credit Union
PO Box 255

2. Summary of Your Liability for Unauthorized Electronic Funds Transfers: Tell us AT ONCE if you believe your card has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account plus your maximum overdraft line of credit (if any).

If your Visa check card is lost or stolen, your liability for unauthorized Visa transactions with the card, other than transactions at an ATM is \$0. The provisions of this paragraph do not apply to unauthorized use of your Visa check card at an ATM. They also do not apply if you were grossly negligent in the handling of your account or card.

If we determine that the unauthorized use situation involving your Visa check card is not covered under the previous paragraph or if the unauthorized use involves your ATM card your liability is determined under this paragraph. If you believe your card has been lost or stolen, and you tell us within 2 business days after you learn of the loss or theft, you can lose no more than \$50 if someone used your card without permission. If you do NOT tell us within 2 business days after you learn of the loss or theft of your card, and we can prove we could have stopped someone from using your card without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us on time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

3. Our business days are Monday through Friday. Holidays are not included

4. Our Electronic Fund Transfer Services: You may use your card to make the following electronic fund transfers:

- Withdraw cash from your share draft or share account
 - Pay for purchases at places that have agreed to accept the card
- Some of these services may not be available at all terminals.

5. Limitations on Electronic Funds Transfers:

Transactions at terminals, you may withdraw up to \$505 from automated teller machines and buy up to \$1000 worth of goods or services at point of sale terminals each day.

Transactions at financial institutions and merchants, you may use your card for up to \$505 each day in non-terminal transactions (purchases and cash advances) at financial institutions and merchants accepting VISA cards, unless you have been specifically advised that a different limit is applicable to your transaction account.

For purposes of this section, Saturday, Sunday and holidays will be considered one day. For security reasons, there are limits on the number of transfers you can make using your card.

6. Summary of Your Right to Receive Documentation of Transfers:
Periodic statement--You will receive a monthly account statement if there are any electronic fund transfers during that month. In any case you will receive a statement at least quarterly.

Receipts--You can get a receipt at the time you make any transfer to or from your account using one of our automated teller machines.

7. Summary of Our Liability to You for Failure to Make or Stop Certain Transfers: If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will NOT be liable, for instance:

- If, through no fault of ours, you do not have enough money in your account to make the transfer;
- If the transfer would go over the credit limit on your overdraft line;
- If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken;
- If the automated teller machine where you are making the transfer does not have enough cash;
- If the terminal was not working properly and you knew about the breakdown when you started the transfer;
- There may be other exceptions stated in our agreement with you.

8. Confidentiality: We will disclose information to third parties about your account or the transfers you make:

- Where it is necessary for completing transfer; or
- In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or

- In order to comply with government agency or court orders or subpoenas, or laws and regulations; or
- If you give us your written permission.

9. Charges for Electronic Fund Transfers: You will be charged \$1.00 for each transaction. When you use an ATM not owned by us or visit a POS merchant, you may be charged a fee by the acquirer.

10. Other Terms and Conditions: The exchange rate for transactions in a foreign currency will be a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government mandated rate in effect for the applicable central processing date plus the 1% International Transaction Fee. Your account(s) may also be governed by other terms and conditions previously set by us. IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone us or write us at the telephone number and address given above as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and account number.
 - Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
 - Tell us the dollar amount of the suspected error.
- If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will recredit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not recredit your account.

Exceptions to Time Periods for Recrediting and Investigation:

- If you notify us of an unauthorized VISA check card transaction, other than unauthorized use of the card at an ATM, we will provide you with provisional credit for the amount of the unauthorized use within 5 business days of receiving your notice. We may require written confirmation of the unauthorized use before providing provisional credit and may withhold providing provisional credit, to the extent allowed under applicable law, if the circumstances or your account history warrants the delay.
- If the notice of error involves a transfer to or from an account within 30 days after the first deposit was made, we will recredit your account within 20 business days for the amount you think is in error and may take up to 90 days to investigate your complaint question. We may require written confirmation of the complaint or question before recrediting your account. We may also take up to 90 days to investigate your complaint or question if the transfer was initiated at a point of sale terminal or was initiated outside the United States.

We will tell you the results within three business days after we finish our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.
